

COOKIE POLICY

Google Analytics – This allows us to look at really useful data about the visitors we have had to our website.

Cookie details:

1. `__utma` determines unique visitors
2. `__utmb` determines page views
3. `__utmc` determines session status
4. `__utmz` determines the referral used by the visitor to reach our site
5. `__utmv` custom cookies not usually in use
6. `__utmz` custom cookies not usually in use

To read more about Google's cookies visit <http://www.google.com/policies/technologies/cookies/>

YouTube/Vimeo – If our website contains videos then some cookies may be used for tracking views etc. These cookies are implemented if you press play though.

WordPress – If we have comments enabled or allow the public to contribute in other ways via default WordPress functionality we will also use some cookies. These are required for the website to function properly.

Cookie details:

1. `wordpress_[hash]` cookie to store your authentication details
2. `wordpress_logged_in_[hash]` cookie, which indicates when you're logged in, and who you are
3. WordPress also sets a few `wp-settings-{time}-[UID]` cookies
